Dear Ms. Andrea Maxie,

I would like to express my interest in becoming a PUL Board Member, with special interest in leading the Player Development Committee. I believe that my skills, network and experience will be a valuable asset to the board and the great Peterborough Ultimate community.

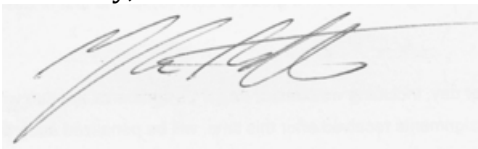

I have played in PUL since 2010 and have played in almost all tournaments offered in Peterborough, every league night, as well as for Smoke when we had a competitive team. This experience has given me insight on what the league and the community does well, where we can improve and how much fun it is to play in Peterborough.

I want to give back to this amazing community which is why I am most interested in becoming a PUL Board Member. I also want to ensure that PUL continues in the future and I believe that Player Development is vital to PUL's success. Continued efforts to bring in new players, as well as developing our Juniors will ensure that PUL continues to be an exciting and successful organization and sport in Peterborough.

I believe that my experience, innovation and commitment will be a great asset to the board and PUL as a community.

Thank you for your time and consideration.

Sincerely,
